## 2017 marks a major milestone for Alliance For Children. We will be celebrating 25 years of serving abuse victims in Tarrant County.

As we approach our 25th year, we are reminded of how far we have come from having one employee during our first year to over 60 employees in 2017, from serving 475 children in 1992, to serving over 2,000 each year.

Just as Tarrant County has grown and become more diverse, we have grown and adapted to meet the needs of the children and families we serve. We have made new partnerships and added new locations to provide additional services to our families, which ensures a strong team and accessibility. And we are proud to continue to offer all services free of charge.

We hope you will follow our journey during 2017 as we celebrate 25 years, looking back on our foundation and vision, and continuing to grow into the future to better serve child victims of abuse.

**Catherine H. Goodman**  
Board President

**Julie Evans**  
Executive Director

**1992**

## Alliance For Children opened our first location in Arlington

under the leadership of Founding Executive Director Nancy Hagan. 475 children were served that first year, in partnership with Arlington Police Department, Child Protective Services and the Tarrant County District Attorney's Office.

**1995**

Moved into our first Fort Worth center, co-locating with Fort Worth Police Department, Child Protective Services and the Tarrant County District Attorney's Office. This location was selected for direct client access to added medical partner Cook Children's Medical Center.

**1999**

Opened our Northeast center. Commenced Group Counseling and Family Advocate programs, which marked the addition of healing services to the children we served.

**2001**

Opened the Arlington center annex for a growing Arlington team. Alliance For Children introduced free abuse prevention education to youth-serving organizations in Tarrant County.

**2012**

Alliance For Children added Individual Counseling to our healing services.

**2009**

Began Forensic Interview program. Animal-Assisted Therapy added to Clinical services.

**2007**

Moved into the new Fort Worth center, adding additional Child Protective Services units to our multi-disciplinary team.

**2003**

## Alliance For Children began offering internet safety education to children and child sexual abuse prevention education to adults.

**2012**

## In 2012, Founding Executive Director Nancy Hagan retired and Julie Evans was named new Executive Director.

**2015**

Experienced dramatic growth in staff and increased depth of healing services, adding Camp BLUE and the Makeover Project. Began Multi-Disciplinary Team Enhancement Program to further support joint response to child abuse investigations.

**2016**

## In 2016 alone, Alliance For Children educated over 50,000 children and adults to recognize, resist and report child abuse.

**2017**

Alliance For Children grew to over 60 employees. Added location to serve Northwest Tarrant County to continue our vision of providing all services at no cost to children and families in their community.

# Rescue Hope. Restore Trust. Rebuild Lives.

Our hope is that every child grows up free from violence. But, we are here when the unthinkable happens.

That's why we advocate on behalf of thousands of children through **teamed investigations** with trained professionals, **community education** to help adults and children understand signs of abuse and how to report it, and **healing services** that address three areas: rescue hope, restore trust, rebuild lives.

We **rescue hope** through a team of experts investigating criminal child abuse. We **restore trust** through interventions that provide safety and healing. We **rebuild lives** with tools that help children move beyond victimization and ensure that abuse will not define them.

**We are committed first to stopping the abuse and second to restoring and rebuilding the abused.**

## A YEAR IN REVIEW

# Alliance For Children served 2,088 children last year.

These numbers reflect our fiscal year of October 1, 2015 through September 30, 2016.

## Gender

Female	1,403
