

# ALLIANCE FOR CHILDREN

A Children's Advocacy Center

**ANNUAL REPORT 2017-2018**

**ALLIANCEFORCHILDREN.ORG**

Dear Friends,

It has been a very busy year. During the past twelve months, Alliance For Children served 2,510 children in our six centers throughout Tarrant County. Our goal is always to serve fewer children every year although with a rapidly growing population, unfortunately, this is not the reality for our community. The light in all this darkness is that Alliance For Children is here for each child victim who needs us.

**Tom Stallings**  
*2018 Board President*

**Julie Evans**  
*Executive Director*

The crucial services provided to children and their families by Alliance For Children would certainly not be possible without our stalwart multidisciplinary partners. Their dedication, professionalism and commitment to serving children with excellence and compassion is unparalleled. The collaborative spirit in which they conduct their work makes extremely difficult situations a little less challenging for children facing some of the most incomprehensible circumstances.

Additionally, we have been blessed with a wonderful and diverse group of leaders that comprise our Board of Directors. Their collective skillset guides this organization and puts into practice the encouragement, assistance and financial backing we receive from our community.

Finally, without your selfless generosity, the wonderful work performed by our staff and partners on behalf of child victims and their families would not be possible. We are very grateful and truly appreciate your continued support of Alliance For Children.

In service,
