

# FREE SAFETY CLASSES FOR YOUR SCHOOL

Talk to your school counselor about bringing these training programs to your elementary school.

## **NetSmartz®**

NetSmartz® is an interactive, educational safety resource developed by the National Center for Missing and Exploited Children® and the Boys and Girls Clubs of America that teaches children and teens how to stay safe on the Internet.

## **P.S. It's My Body!**

P.S. It's My Body! is an innovative, practical safety series for children designed by The Sunflower House to teach and reinforce the three R's of personal safety: Recognizing, Resisting, and Reporting.
