DEAR FRIENDS AND SUPPORTERS...

Breaking News! We see these words almost daily all around us - whether in our inbox, when we open a web browser, or as we watch the local news. We observe as a story unfolds before us that often depicts someone's hardest day. For us at Alliance For Children, this is our reality every day in our crisis response and service to child victims of crime in Tarrant County. We welcome families into our centers on what will likely be one of their hardest days; as they come to learn what their child has experienced, and how life may shift drastically because of these allegations. Yet, we aim to change the headline of their experience to one of restoration, protection, justice, and healing.

As you read this Annual Report, you will get a glimpse into the stories we have lived this year and details our agency, and the children we serve, have walked through. You will also see the healing we have celebrated.

Through your financial or personal support of your time and talents, we are seeing children's lives transform and building hope for a future free from trauma, abuse and violence. Thank you for your trust and your partnership in service to our tiniest, most vulnerable neighbors, and for your investment in generations of healthy, happy families!
