Christmas CONNECTION

Every year, hundreds of child abuse victims come through our doors at Alliance For Children. Oftentimes, the holidays present an extra level of stress for their protective caregivers.

Help us change that and create a joyful holiday for child abuse victims by donating to our **Christmas Connection gift drive.**

Families participating in **Christmas Connection** will have the opportunity to shop for gifts at our pop-up store at no charge thanks to your donation.

Want to do more?

We have opportunities for gift wrapping, organizing the pop-up store, toy assembly, and personal shopping.*

Contact volunteer@allianceforchildren.org

*Volunteers will need to complete the Alliance For Children onboarding process.
